TALKING TO IRIS

A monk, a medium
and an ayahuasca trip:
how Ben Goldsmith
went in search of his
daughter after her death

S2: your personal lifestyle manager for luxurious living and unforgettable experiences

Introducing S2: a luxury lifestyle management company that offers its clients access to an extensive range of services, from running errands and booking travel to sourcing the most exclusive luxury goods and providing bespoke education consultation. With a global team overseen by founders Goran Svilar and Ali Samli, S2 ensures that every detail is carefully considered and seamlessly takes care of daily errands and chores, leaving clients with more time to enjoy life's luxuries.

Whether it's planning a luxury holiday, organising a corporate event, or accessing exclusive venues and events, S2 has the expertise and resources to make it happen. The team has extensive experience working with high-net-worth individuals, celebrities, and business leaders, and they pride themselves on delivering exceptional results.

S2's experienced event planners can create outstanding once-in-a-lifetime experiences for clients, whether they are celebrating a birthday, getting married, launching a product, or attending a red-carpet event. The company's VIP access to the most in-demand nightclubs, concerts, exhibitions, private dinner parties, wine tastings, and sporting events is unparalleled. Available luxury voyages for their discerning clients include exploring the pristine ice caves of the Antarctic to diving down to the wreckage of the Titanic in a submersible. S2 strives to turn its members' deepest desires into a reality.

Ali and Goran have extensive backgrounds in the luxury sector and a passion for making a positive difference in the lives of others. Alongside their work at S2, they also run a luxury homewares company called Who Icons, demonstrating their commitment to delivering quality and excellence across all aspects of the luxury industry. Who Icons specialise in an assortment of fine bone china pieces with a 22-carat gold rim, featuring illustrations of idols from the fashion and royal worlds. Items include a range of plates, bowls, cups and saucers to make the perfect dinner party spread and showcase individuality and opulence in any home.

S2 services can be contacted online at s2london.com whilst Who Icons is available at whoicons.com

For all your journey needs

The Journey Centre offer the full range of touring products, including roof bars for all types of vehicles. They are one of Thule's few UK specialist dealers, and official dealers for Rhino.

For the caravanner or motorhome enthusiast needing an awning, sunroom or cycle carrier, they offer a wide

variety from trusted brands, to make your outdoor adventure both easier and more fun.

Guaranteed quality assured products at competitive prices with advice and fitting by experts all make The Journey Centre the place to visit for your journey needs.

Experience true luxury abundance

KS Enterprises has established itself as a top-tier luxury chauffeur service which caters to individuals who value perfection and professionalism. With an impressive list of clients, including internationally recognised brands such as L'Oreal, Burberry and Nike, KS Enterprises has become the go-to choice for those seeking excellence in transportation.

Their immaculate track record and commitment to exceeding client expectations has earned them the trust and business of high-net-

worth individuals, Arab royal families and CEOs of world-class brands. The firm is renowned for their precision-engineered interiors which include immersive starlight roofing, Maybach reclining seats, a built-in mini bar and a fully comprehensive entertainment system.

With a dedicated team that values customer service and attention to detail, KS Enterprises has grown to become a household name for chauffeuring needs. Whether it's for airport transfers, business meetings and events, weddings, artist tours, or social nights out, KS Enterprises provide bespoke transport solutions that are tailored to each client's requirements.
